“ *Well... (06/19/08) a date I'll never forget... Jazmyn, you and our children are my world. All I knew, know, wanted ect. For 10 years our relationship was amazing. We hit rock bottom, got pushed away from family and friends. For the last 2 years you know I tried a million times to have you come home. We meaning you the kids and myself all need each other... that's all we knew was us, idk what to do from this point forward. I'm broken without you jazzy 😞 You made me a better person. Motivated me, gave me reasons to wanna built, be, and provide for our family as a man... the world was against us and pushed us apart. I love, miss, and need you now and forever. Please visit me and show me signs your still here babe love you... (Joshyboo-jazzy boo 06-19-08)💖💖💖*
