“It would be very remiss of me not to pay a special tribute to my brother(s) at this time.

Jeff was not only a kind person, but one of the smartest persons that I have known. He was the epitome of what a father figure looked like while I was growing up in Greenville. Up until the day he passed away, I valued his opinion concerning my life. I had nothing but the upmost respect for my big brother.

I am at a loss right now because both of my brothers, "Jeff and Bro Hines", are no longer with us. My heart hurts 💔

We were a very close knit family. We spent holidays together, laughed, debated, conversed about old times, and yes, we had plenty of arguments. But we never left my mother's home without a hug, saying I love you, and when are you coming back to Greenville. And I could be assured that when I came home, both of my brothers made it a point to be there. Both, "Jeff and Bro Hines" had high expectations from me while growing up in Greenville and didn't have a problem letting me know when I was falling short. I met one of those high expectations when I married Rob. I can't remember a time when Jeff didn't tell me how much he loved Rob because of how well he treated and took care of me.

Our life as a family wasn't always perfect, but it was wonderful having "Jeff and Bro Hines" as my brothers. "Jeff and Bro Hines" are missed. They both hold a special place in my heart. ❤️

All my love,

Anthonette "Annette Hines" Robertson

“ To Phyllis, Quan, Demarcus and the Hines Family, sometimes there are no words to speak when faced with a loss of a loved one. Jeff will be truly missed. My prayer is that God will comfort you during this time as only He can. He is our source and He's always available to us. There are moments that we may question Him but the moment of clarity is when we realize that God loves us enough to get us through. “Rest on Jeff” where peace has been granted to you.
