“ *Words can't express how deeply saddened I am in hearing of your passing. I'm heart broken that I am now, 3 months later just finding out. When I called and didn't hear back, I should have called again, come by, done something. Please forgive me for that. I am lost for words. All I can say is I hope you know how much you meant to me. The last time we talked, you were so full of joy. I will forever miss your laughter. Always in my heart, Gwen*
