“ *I never got to meet Joanna but I feel like I know her— what a beautiful baby— but more importantly , I know of her strong spirit, just like her mother and grandmother. I will not forget her , her strength is an inspiration. Peace to all of her family, my heart is with you. Cindy W*

“ Hey Jojo this your uncle ant man. Hey niece, I was so excited I couldn't wait to meet you and tell you now it's two granddaughters and a bunch of grandsons. But unfortunately, you got called to a better place. And that's OK. It be like that sometimes just keep a eye on us small people down here. Jojo from the time you was born you was fighting and you fought your little heart out literally and I told your grandmother your going to be that one special child. The little time you was here the fight you put up touched me, so yes you are the special child. I love you I will never forget about you. Just keep that eye on use and check on us every now and then you no. To the one special child JoJo I love you we love you. Lil Sister , Josh, my family Josh family were good she got us no worries.
