Dad

On this special day we gather to show our appreciation,
Because we feel that we were in a very special situation.
To have had a father so good and so kind,
Whereas others search but never find.

A man of true faith and belief,
A man who stood by family and friends and those in grief.
A man whose' light shone bright and strong,
A man who taught his family well, right from wrong

A man that stood strong and passed life's test,
A man whom God has truly blessed.
We all loved this man known as our father,
Friends, wife, sons and daughters.
