“ *My beautiful sister she was a jewel, a diamond, a beautiful soul. She was loving, caring and a very thoughtful person. I miss her so much. Her presence is still here, she's unforgettable, a kind soul and a sweetheart of a person. I could go on and on and on and on my heart aches because I miss her so much. God makes no mistakes so now she's with her Heavenly Father she's in good hands. I love you today and always Joyce Marie Staton your sister Patty (Patricia Cooper)*

“ To the Staton and Cooper families, I am so sadden by the loss of such a sweet coworker and friend, She was beautiful not just outside, but inside as well. I have known Joyce since we worked at "The Plaza". (back in the day), then we became coworkers again at Greenville Utilities. She will be missed dearly. My sincere condolences to all that loved her. You are in my thoughts and prayers. I will miss those personal text messages. Always in our hearts.

*Mr. Staton and family, you all have my deepest condolences. I've never met Mrs. Staton personally. However I have only heard that she was a very special person. I worked at PCMH now Vidant for five years. At that time I met Mr. Staton while he was shuttling employees to and from our cars. He had such a pleasant nature. I pray that all the wonderful memories you all shared will help you through these difficult times. May God continue to Bless you all.*

“ To the Staton and Cooper Families. I was very sad to hear of Joyce's passing. It seemed like that everything we would run into each other, she and her husband would be at Edward Drug Store's grill. We would exchange a few words and a laugh about retirement. I am sure that Joyce will be missed by all who knew her. Family you are in my prayers. Lean on Jesus. He will give you strength, love and even peace at this most difficult time.
