### I Live On

(Author: Ron Tranmer)

I died but did not leave you.

I am here, and have not gone.

Though my spirit left my body, don't be sad, for I live on.

My love is all around you. Can you feel it? Can you see? That gentle breeze upon your face is not the wind . . . but me.

I'm the song of a blue bird, when spring is in the air.

I am the rose in a garden. You can find me everywhere.

I'm a raindrop and a rainbow. I am the ocean waves of blue;  
so everywhere you go, you will know, that I live on loving you.
