“ To the family of Sister Laura, I have many fond memories starting with her mother, Miss Isabel Morris. On the outside, Laura appeared tough, but once that sense of humor came out, it was non stop! I remember that melodic voice so rich, so deep. The late Rev. Dr. Howard Parker would call her Mahalia in reference to the famous singer, Mahalia Jackson. Well, Sister Laura, how about you showing the heavenly choir how to do it? No more sickness or pain for the former things have all passed away. Take your rest. Family, I am praying for you.
