“ *Linwood was a childhood friend of whom I have never forgotten. I reconnected with him about six years ago. Our conversation was about spiritual things and in those few months we talked I learned a lot from him. God had given him much insight into the spiritual realm similar to things He gave me. He was a good friend in sharing what God had taught him. I am so sorry I did not have that last conversation before he graduate to heaven, but glad I did get a chance to reconnect. He inspired me to attempt to reconnect with others I grew up with. For surly we all imparted something into each other lives.* ”
