This was my worst week yet. It was special to us. I missed calling you and talking about the Masters golf game here in Augusta Ga. You loved sports and wrestling. Too bad Tiger woods, your favorite player didn't make it this year. I'm thinking if you with the fondest memories. You landed a smile on my face today. I love you dearly.

“ I prepared myself for this moment and it gets no better. Everybody knew you had a sharp tongue and what I wouldn't do to hear your now. I wish I had known all that you were going thru but no matter what you always smiled and just worked thru it. Every time I talk to one of your friends and family members they said you always said you glad I got myself together and I am to. Those complements meant a lot. I'm glad you're not here to go thru so much pain. Trust and believe God is not done. You taught me so much and I will never forget any of it. I have enuff memories good and bad but no matter what the move was there. I'm gonna make you prouder ma I promise. I love you so much and I'm gonna miss you and so are the kids. There will never be another you. Everybody thinks their mom is the best I know mine is... I know I took you thru hell as I was growing up but hey that's what a child does 😭 but you were so proud of me and you constantly told me that til the end.. I love you ma and I pray your soul Rest In Peace. FLY HIGH LADY I LOVE YOU..

“ *"Your brother will rise again". (John 11:23) These are the words that Jesus said to his friend Martha, after the death of her brother Lazarus. He was referencing the resurrection mentioned in acts 15:24. My dear Mom, I truly believe him on this promise. Angel and I look forward to seeing you and that beautiful smile of yours at that time. So now, you sleep, just like Lazarus and wait to be awoken. Rest easy "Sis". Love you forever.
