Lovely Pearl

Who was Lovely Pearl, she was the rarest Pearl you could have come to love on this Earth. God gave my brother and I the rarest pearl of all because when he made her, God broke the mold – So you couldn't get another Lovely Pearl.

Lovely Pearl loved people, dancing, and smiling. She loved to invite you over to eat, listen to music, dance, and wanted you to be at ease. She did not like arguing and fighting, she always wanted to see you smile

Lovely Pearl liked to write, draw, play bingo, and shop for nice things. She liked oldies and goodies, Jerry Butler, and BB King Blues. She would talk about going to the soda shop after school and dancing while hanging out with her friends.

My mother, Lovely Pearl, you could talk to her about anything, and she would answer you that was the type of pearl my brother and I had. She never let you go hungry, and we had nice clothes. She took us on trips as a family, she hugged and kissed us a lot. My mother, the rarest pearl of all lived her life to the fullest, she traveled, loved playing bingo, graduated from college, and when Thanksgiving and Christmas came, she would decorate up a storm. She kept a clean house and a pretty one too – because of the way she treated you, you would always want to go back and visit.

My brother and I shared our rarest Lovely Pearl with others as long as you made her happy. When she thought about you, she would give you unexpected gifts that would make you smile and happy.

You see, dear family and dear friends, she loved all of us here. Lovely Pearl was the rarest pearl. Think of the good times she shared with you and smile.

Lovely Pearl has gone back home to God because he came to collect our rarest Lovely Pearl.

ME

Marian Faye Woods-Evans-& Family - When I think of Pearl, as we affectionately called her, I think about the many Summers we worked in tobacco on the Hart Farm. We were teenagers and we had great times working together. During that time Families worked together: the Brown family, (2) Edwards families, Smith Family, Powell Family, the late Doug and Mae Shirley and the Woods Family etc. We worked hard but we lived, loved and laughed; we enjoyed each other, our Parents worked with us. We were "one big family" we send our heartfelt ❤️ condolences 🙏 to Lovely Pearl's Family. We love you "Family" and we are praying for all of you. 1st Peter 5:7 says Casting all your "care" upon him: for he cares for you.. May God comfort you as only He can in the days ahead. Loving ❤️ you., The Woods Family Mamie, Buck, Faye, Leatrice, Connie, Wayne and Mike

“ My deepest sympathy to the family and especially her children and grandchildren. I worked with Pearl when she lived and worked in New York City and she was an amazing friend and co-worker. She was always pleasant and had the biggest smile for everyone. We all loved her. I am so sorry for your loss. I will miss her deeply.
