“ A tribute to Mother Lucille Gorham. The Board of Directors, members, friends and supports of the Greenville Industrial - Charles Montgomery Eppes High School Alumni Association salute the life of a warrior for education, peace, joy and harmony in Greenville and around the world.

Mother Gorham, as she was everybody's Mother, allowed every boy in Riverdale and the surrounding neighborhoods to play basketball in her backyard with one rule: You could not take your shirt off.

This began a love affair among her and all her children who would over the years grace her home on the corner of Tyson and 3rd Streets. A home that was open to all who knew how to act and in many cases, just needed a little love.

Mother Gorham touched the lives of many of the members of this association and we thank her children for allowing us to become members of their family. Her support was out front and more times than not, behind the scenes, and for that we are grateful.

Although she was small in stature, when she spoke, everyone listened, for the wisdom she shared with us was golden. Again and again her efforts assisted in moving this organization forward.

We offer our deepest sympathy to Lucille B., Charles and the rest of the family. Find comfort in knowing that Mother is at rest now. She fought a mighty good fight and she won more than she lost.

Moreover, know that the comforter will come to help ease the sting of death and that God has promised to wipe all tears away. We are here with you and for you, just call.

May God bless and keep each of you and be strong in your faith.

“ Our heartfelt condolence to the Gorham Family! May the happy memories of Lucille find you peace! Eva and I first met Lucille in 1977 when we asked Father Mullholand at St. Gabriel Church to marry us because the priest at St. Peters went to Europe. Lucille and Father Mullholand recommended that we get married in the little church at 5th St. Through the years, Lucille was a strong spiritual force at St. Gabriel Church. I observed first hand her great wisdom, outstanding judgment, and unbelievable decisions during my term as a member of the Parish Council under Father Tom McCann. We will miss her dearly! Lucille, may your soul rest in peace!

Prayers,

“ When our family came to St. Gabriel Catholic Church in 1981, Lucille was the first person to welcome us, with a warm hug. She became a much loved third grandmom to my children, whose biological grandparents lived in New Jersey. Lucille went with us to school concerts, plays, and many other activities. Now, when my children come home to Greenville for a visit, they always would look forward to seeing Grandma Lucille at St. Gabe's on Sunday morning. We send our sincere condolences to the Gorham family, and join you in mourning the loss of our dear Lucille.
