“ *I'm so sorry for your loss. I met Mr. Luis about 2-3 years ago through a project that we were working on in Winterville. He and I instantly connected as his kindness and friendly nature was evident in the way he carried himself. He was one of the most intelligent and humble people I've ever met. I will miss our conversations and our friendship. The world lost an incredible man on February 4th but heaven gained an amazing soul!*
