“ *My condolences and God Bless her daughter, siblings/family and friends.*

*I will miss my dear friend Malley. My heart is broken but at peace because I know she is with my Savior.*

*So thankful for her last two visits prior to Covid. She always sent or replied with a cheery gif. Malley was always thoughtful, we would send birthday and thank gifts from time to time. Her last package included a gift to my youngest daughter who draws all the time. Malley noticed on her last visit and sent her a really nice drawing pad just because. It was so thoughtful. My daughter loved it. Malley took notice and cared what my daughter cared about.*

*Her favorite scent from B&B was Moonlight Path, one of mine as well. It's the little things that matter, favorite flower, color. My beautiful friend and I shared that with a story and a heartfelt laugh. These and other memories I will hold in my heart. Loyal friends are hard to come by. Thank you Malley for your loyal friendship. When I moved away it was not out of site, out of mind. She kept me in her heart and I will honor her memory by doing the same. I miss you.*

“ Your mother and sister was a "Phenomenal Woman." I will remember Malley's, quick wit, giving spirit, creativity, sense of humor, and love of the "Nawlin" Saints and KC's "Ma Homes". May you rest in peace and may your family be comforted in God's Mercy and grace. Til we meet again dear friend! -Dr. Gise

“ *When I got to ECU you were the first person to invite me to church. You and the rest of the GCCC family were so welcoming to me and gave me a spiritual home away from home. You were always a pleasant face to see first thing every morning when I walked into Ross Hall. I always loved your spirit and how good an attitude you had even after all of those times we had to help you move. May your spirit rest peacefully in the heavens*
