

Ms. Malea Brianna Griffin

February 27, 1997 - November 29, 2022

“Come to me, all you who are weary and burdened, and I will give you rest.” -
Matthew 11:28

Malea Brianna Griffin was born February 27, 1997 in Chicago, Illinois to Tonya Sabrina Griffin. She departed this life on Tuesday, November 29, 2022.

Malea graduated from South Central High School. She attended college at North Carolina Central University and Pitt Community College.

Malea was quiet and did not have a lot to say when you first met her. She doted on her sister and younger “uncle” Chris and was fiercely protective of them. She had a great sense of humor and loved to joke around. If you got to know her, you soon discovered how smart she was and she could match wits with anyone. She had a love of history and craved learning anything about past history as well as present history. She had a great love of philosophy and read many books on philosophy and loved to debate about theories in philosophy. She would have made a great attorney because she loved a great debate. She also had a great love of music and could tell you just about any song and artist from the 50s up until the present. This was tested one Christmas when we had a contest of guessing the song and the artist and she knew just about all of them. Two of her favorite artists are Michael Jackson and Prince. She had just started to discover her love of art before she passed and was taking an art class to learn how to paint. She would help any of her friends or anyone else she came across if they asked her. She truly had an

old soul.

Malea leaves in her memories to cherish her mother, Tonya Griffin of Winterville, NC; sister, Jaden Griffin of Winterville, NC; grandmother, Hazel Griffin of Winterville, NC; two uncles, Errick Griffin of Billings, MT and Chris Griffin of Winterville, NC; a special cousin/aunt Tamara Teel of District Heights, MD and a host of great aunts, great uncles, cousins, other relatives and friends.
