“ We will miss you grandma❤️Even tho we didn't get to see you often these last few years you were often spoke about. The first day I met you was at your 75th birthday party and I still remember telling my husband (Kim)your grandson all the way home that you reminded me of my own grandmother, so thanks for welcoming me into your family and allowing me to grace your presence. May you fly high with the angels... until we meet again rest in paradise 💕💕
