“ *Happy Birthday Mark!!
You are TRULY missed! Thank you for being such a positive influence on myself (and the team) and I'm sure anyone else that has had the chance to know you. Your appreciation for the little things, care for others, and chivalrous demeanor are all traits that are hard to come by. Rest in Peace...*

“ *Mark loved BMWs and Flight Simulator computer programs; two things we had in common. Yet no matter how hard I tried; I could not get him to join me for flight lessons. (Smile) That was him, a good man, always set for adventure, sheathed in his own form of practicality; that was Markeith.*
