“ *There are so many memories that I have of aunt Mary. She was such a warm loving person. Always a kind word and expressions of encouragement. From day one she welcomed me and my son Terrell into her family. It has been a long time since I last saw her. But when I did, she told me she loved me and my son and to never forget I will always be family. Of course this brought tears to my eyes but it felt good snide. We will miss her so much; but there is joy in knowing she is with Jesus and no longer suffering.*

*Much love

“ *I will never forget the kindness shown by Ms. Mary, when she offered to take care of my children after school while I worked. She was a good mother and friend. She was a true woman of God and full of compassion. May the Lord continue to bless her family with the remembrances of her life and what she represented. Take comfort that to be absent in the body is to be present with the Lord! Love, Dianne Jackson and Family.*
