What an incredible friend you have been. Even though over the years I didn't see you to hear from you as often, when I did see you, you were always smiling, telling a funny joke & just being you. I am thankful that God allowed us to cross each others paths for the time you were here with us on earth. Now I look forward to meeting you again on a different level. May your family & friends be at peace knowing the difference you have made in all of our lives.
