“ Michael Parker along with many of our West Greenville friends played as little children all of our young years. We went to elementary, middle then on to high school. We roller skated everyday during the Christmas holiday, only going home to eat. Linwood Ebron called himself going with me and Michael called himself going with Darlene Short. Well one day Mike and Lint went to Ms. Askew store and bought two rings in a box. I got one and Darlene got the other one as we swung on the swings at St. Gabriel School playground. What wonderful memories that we all will hold dear forever. To the siblings, just know you are in my thoughts and prayers. Sincerely Deborah Hall Ebron

“ *Richard (Junebug & Hattie)*

To my younger brother, the times we shared will always be treasured. Our parents taught us to love one another and never let anything come between us. I know you are no longer hurting and you are in heaven. Love you always.
