“ I would like to express my condolences and hope in the loss of your dear loved one The bible gives us hope of seeing them again in the promised resurrection to come according to [John 5:28-29] and [Acts 24:15]. We find further hope in scriptures like [Isaiah 25:8] and [Revelations 21:3-5] which says in part that Jehovah God will wipe out every tear from our eyes and death will be no more, because God will swallow up death forever. I hope these scriptures will be of some comfort.

With Deep Sympathy.
