*Pearlie & Linda and to his wife, Bo Jo was such a great person. I never heard him say an unkind word about anyone. I have known him since I was a kid in the 70's living on Stokes Farm. He was such a hard working man and he would tell and joke to put smiles on everyone's face. I had not seen him in years but I had the pleasure of seeing him a few times last year as he stopped by to say hi to my Mom and I. He was the same kind soul and had us laughing. It was so nice playing catch up with him about our families and I am so glad we got the chance. Your work here is done and now it is time for your REST!!! Keeping you all in my prayers!

“ I really appreciate the togetherness, dedication, love and support of The Greenville Utilities Commission to Mr. Milton Staton, during his funeral on 01/03/2024 at 1:00PM. The honorary stopping of the traffic on highway 33, in front of The Homestead Memorial Gardens and the display of the two large GUC trucks that held the United States flag over the entrance and exit route as the family and guess arrived and left. Mr. Milton Staton was shown great honor and I really admire his friends, coworkers and the officials from GUC for supporting it.

That displayed UNITY and where there is UNITY there is strength!

*God bless you all,
Asst. Pastor Clinton Williams.*

“ *Mr. Milton Staton was wonderful person who treated people with respect and kindness. He always wanted to do his best especially when he was hired to professionally cut lawns and bushes.*

He was the best lawn professional in eastern North Carolina, solely because he respected the lawn profession and put extra care when it was a church lawn!

Mr. Staton was an excellent and respectful friend.

He will be truly missed. We must acknowledge, this world is not our home, we're just passing through.

*May God bless his family,

“ *Bo was a true friend to many . He was always there to lend a helping hand and a smile . Loved his old truck just about as much as riding in a tractor .One of the hardest working men I knew taught me a lot about life in the 90s when I started at GUC .Enjoyed working with him and seeing him past by over the years blowing horn , he will never be forgotten.....*

“ Mr. Milton will truly be missed. He was such a great person; he never complained and always had such a kind innoence about him that made everyone comfortable around him. Whenever my family and I would call on him, he'd make time to come by and assist us or just stop by to grab a plate of food if we were having a family gathering. But more importantly, he spent priceless time with my nephew, Jalen, and showed him how to mow lawns or just watch a good movie with him. Wishing The Staton family and friends sincere condolences as we bereave one of the best humans I know. Rest in peace Mr. Milton, rest in peace.
