“ *Montressa was one of the first friends that I made when I got to Bethel Elementary. She was so intelligent, full of life, and had a genuinely cared for everyone. Her laugh made you laugh. She always called my entire name, Angela House, and would say "you are one crazy girl". We would periodically chat on fb but our friendship always remained the same. I will miss her!!! To all of the family, I am praying for you and I know that God will comfort you through this difficult time.*
