“ Thank you, Mama Myriam, for your love and friendship. You were a great friend to both of my parents and you offered love and support to my sister and me when we were growing up, striving to become young adults. You provided musical guidance for us as my mom, sister, and I planned my dad’s funeral services over 15 years ago. You did the same for my sister and me as we planned mom’s services over 2.5 years ago. Thank you for stepping in as a mother figure after the loss of your friend and my mom, coming up on 3 years ago. I will miss our long phone conversations. I am so glad I got to spend time with you last July, and when I think of you in the future, I will always think of your sitting on the porch at long stretches, soaking up the sunshine when possible and being wrapped in your blanket when the temperatures became chilly. You had a great sense of humor, made me laugh a lot, and also had an infectious laugh! I love you, Mama Myriam, and I thank God for your being in my life and a part of our family. My prayer for you is a Rest in Heavenly Peace ❤️ Mama Myriam. Please give my parents hugs from us. Amen 🙏
