“ *I dont know where to start with the memories that we have had together , through hard times through good time, he has been a true freind uncle cousin to so many , if their where a time when you needed a hand all you would have to do is ask . I miss your call all time of the day and night ,God gave your wings to fly and explore , i dont hear the phone ring anymore , but i do hear your voice at times still in my mind Rest easy my freind , until we meet again .*
