

## Mrs. Pamela Tyson Tillery

April 9, 1963 - November 30, 2024

Pamela Tyson Tillery was born in the height of spring on April 9, 1963 in Greenville, North Carolina. She crossed over to eternity on November 30, 2024. Pam, as she was affectionately known to many.

Pam was educated in the Pitt County Public School System and graduated from J. H. Rose High School in 1981. Pam took joy in making others around her happy. On April 21, 1983, she married her life partner and confidante, the late Arthur L. "Andy" Tillery. Pam was a very diligent worker and often made things happen behind the scenes with quiet confidence. As an avid Dallas Cowboys fan and bargain hunting fashionista, she loved fishing and was employed for over 27 years at the Leo Jenkins Cancer Center in Greenville, North Carolina.

In her own unique way, Pam had a way of making others feel good while being in her presence. She always had a word of encouragement or a funny story to share with those whose paths crossed hers. She never met a stranger and was well beloved by many.

Love and faith are part of Pam's legacy. As the daughter of the late Bobby and Beverly Parker Tyson, she leaves her memories to be cherished by her daughter, Dawnette Tyson (De'Andre) of Farmville, NC; son, Andrew Tillery (Racquel) of Raleigh, NC; grandchildren, Jasmine Spencer (Deshawn), De'Andre Spencer, Jr., Tyson Spencer, Kayden Tillery and Andrew Tillery, Jr;

two brothers, Kelvin L. Tyson (Karen) of Raleigh, NC and Karsten Tyson of Savannah, GA; an aunt, Sheila Jenkins Taylor (Robert) of Raleigh, NC; niece, Morgan Barnes and nephew, Cole Tyson; as well as four sisters-in-law; a brother-in-law and a host of cousins, friends and other relatives

“ Rest in paradise to my classmate. Got a chance to catch up about 2 years ago to inform her about our 40th class reunion. We got in some good laughs, which you were always gonna get with her. Class of 81 is saddened by our yet another loss 🤍💙🕊️🙏

“ I worked with Pam at Leo Jenkins Cancer Center for 25 yrs. She was not only a co-worker but a friend and a great listener. We often had very interesting conversations about various things including football, family, friends, faith and life in general. She was so easy to talk to and had a great sense of humor and a contagious smile! Pam spoke often and was so proud of her family! She had a knack relating to people. My heartfelt sympathy for her family and friends during this difficult time. I will miss her but am sure she is in God's hands now. I'm blessed and honored to have known and worked with her for so many years. Carolina Moreno

“ Ms. Pam came to work at Boys & Girls Club in Washington a few years ago. She wanted to work only a few hours just to keep her busy as she was retired. I remember her bringing the staff candy for Valentines Day. She was a blessing to our staff, club members as well as the building! Take your rest Ms. Pam! 🕊️

“ I had the honor and privilege to work with Pam for many years at the Jenkins Cancer Center. She was a wonderful coworker who easily shared her outgoing personality and infectious smile. Pam’s contributions affected innumerable patients and those of us who were fortunate to know her. Her passing is a shared personal loss and my condolences go to her family and friends.

“ To my family she was a wonderful kind person, we would often meet out, sometimes on the board walk and we would say we are going to play spades together. When I saw her it was always family love. God will keep us and our memories of Pam forever. My deepest sympathy.
