“ *My beloved Aunt raised me, along with my grandparents , from the time I was a little boy, to the time I reached the age18. Being raised under her influence made me the person I am today. She taught me how to always respect people and treat them, the same way I wished to treated. To always treat that special person in your life with love by giving that person 100% of yourself and also to never, ever raise your hands to hit a woman. To work hard no matter what job you have , whether you like the job or not , and above all, if you are sick, go to work. I love you always. Your nephew, Darryl*

“ *To the Daniels family, please accept my deepest condolences. Patricia and I were classmates through elementary and high school at our Dear Old Eppes High. When the cafeteria was built and we could not go off campus for lunch anymore, I would always make my way to be behind Patricia going through the line because I knew she wasn't going to eat all the food on her tray, most especially the days we had fried chicken. After the first few bits, I'd say to her, "You gonna eat the rest of that?" Her answer was always no, "you can have it." And have it I did. Quiet a person as ever you wanted to meet, with a heart of gold. Rest in peace Patricia and if you don't want what's on your plate up in Heaven, hold it for me. God bless.*

“ *Sister Daniels was a woman who loved her church and church family. She would participate in church activities and did not mind being asked the last minute. She and I would often talk before service began. Sister Daniels, you will be missed at St. Mary Missionary Baptist Church and all who knew you in the community and in Pitt Counry. Take your rest in the arms of your Savior. Until we meet again, good night. Family, I am praying for your strength and peace during this most difficult time.*

“ Pat was a colleague and a dear friend. We worked together at Wahl-Coates Elementary School for a number of years—I’ve lost count. She was a pleasure to work with and well respected by faculty, staff, students, and parents. Pat was always dependable and meticulous and thorough in all of her work. The students loved her— and listened to her. She had a special way with them. My deepest sympathy to her family and her many friends. Pat was truly one of a kind.!
