

Ms. Patricia Grimes Short

September 10, 1945 - December 2, 2024

The Lord called his faithful servant Patricia Ann Grimes Short home on Monday, December 2, 2024. She made the transition at 7:33 am enroute to ECU Medical Center, Greenville, North Carolina.

Patricia Ann Grimes Short, known to her friends and associates as Pat Short and “Ma Pat” to

many young people who lives she touched giving them refuge in her home.

She was born the

second child to the union of the late James William and Mary Magdalene White Grimes on

September 10, 1945, in Raleigh, North Carolina. She was preceded in death by her parents,

James and Magdalene Grimes; godparents, Ben, Jr. and Senia Ray; paternal grandparents, Asa

and Sarah Grimes; maternal grandparents Edward White and Lena James; sister Willamena

Grimes; and brother-in-law, Retired MSgt Bennie L. Moore.

At a young age Patricia gave her life to Christ joining Cornerstone Missionary Baptist Church

where she served faithfully until her death. Her greatest joy was her work with the Senior Saints

Ministry providing spiritual elevation through fellowship and current

information relating to medical, legal, and insurance needs; honoring seniors by recognizing their longevity; attempting to lift the spirits of those sick, shut in, or hospitalized; and celebrating with them through praise, worship, and feasting by giving thanks to God for the blessing of eternal life. She was reared in Greenville, North Carolina and attended the Greenville Public Schools, graduating from C.M. Eppes High School in 1963. She attended North Carolina Central University. She earned an Associate Degree in Applied Science, Business Administration in May 1990.

On May 18, 1967, she married Private Henry Short. To this union was born one daughter, Braggetta Patrice Reanea.

Patrica had a variety of jobs during her life. Among them was teaching. She taught physical education at G. R. Whitfield School, Grimesland, NC. She began working for Burroughs Wellcome in Greenville, NC in the 70's. When Burroughs Wellcome merged with Glaxo and moved its operations to Research Triangle Park (RTP), NC, she was among employees chosen to make the move. Later when Glaxo merged with Smith Kline, she remained with the company and retired as a Research Scientist in 2006. This position gave her the opportunity to travel back and forth to England on numerous occasions for the company. Upon retirement, she went back to substituting teaching at Wellcome Middle School and South Greenville Elementary School in Greenville, N C. Later in retirement, she

became a Chief Judge for a One Stop Voting Site in Greenville, NC; and worked with the Golden Girls on the audit committee.

Pat loved people and traveling. She never met a stranger and was always willing to help anyone she could. For over 60 years she worked to keep the Class of 1963 connected by informing her classmates of happenings with members and traveling to their family activities to be supportive. She loved her high school alma mater's alumni association and served as the membership chair for a number of years. A position she held at the time of her death. She was very proud of the fact that on several occasions her class had the most members in attendance at alumni functions.

She was a loving and devoted mother, sister, and friend. She leaves to celebrate her transition and cherish her memory: daughter, Braggetta Reid, Durham, N.C.; son-in-law, Andre Reid, Durham, NC; sister, Jamesena Moore, Bellevue, NE; niece, Marcia Moore Viklund, Stockholm, Sweden; nephew in law, Mattias Viklund, Stockholm, Sweden; great Nephew, Max Moore Viklund; special friend, Henry Short; a host of other relatives, god children and friends.

“ I just met MS Pat working my first time this year at early voting at AG Center. She was a nice lady and great to work for. I was impressed that every day she insisted that everyone bow their heads for a moment of silence. By doing this she was doing the lords work with this act. I was so saddened to hear of our lost but gain in heaven. Know she is with the lord now!

“ Words cannot express the sadness I have felt from the moment I found out that my dear friend, Pat, passed . When I think about we had just met and had dinner on Nov. 9th., the night prior to my leaving Greenville, when I went down for my brother's funeral. It is so difficult for me to accept that she is not here any more. Not only were we classmates and graduated together in the class of 1963, we have been friends since childhood. I am going to miss meeting with her for breakfast, brunch or dinner when I go to Greenville. Also, she would always call me when she came to New York, and if time permitted, I would go by where she was staying in New York to see her.

Although I am going to miss her so much, I believe she would want her friends to holds on to the beautiful memories of their friendship with her She was a true friend. I will always cherish the friendship I had with her. May she Rest In Peace!

I will always remember her smile and her laugh. When I attended her 79 Birthday Celebration in September of this year 2024 we laughed, and ate Birthday Cake and Ice Cream. “ *The Class of 1963 - C. M. Eppes High School lit a candle to honor the memory of our Beloved Classmate Patricia Ann Grimes Short.*

Our hearts are broken that she is no longer with us; but we know that our heavenly Father knows best.

We have formerly celebrated being friends, classmates, and Eppes Alumni since 1983. 'Tricia has served as class representative since Eppes Reunion 1988. For the Class of '63, she was the coordinator "extraordinaire" - the service projects, the class tent, the boat ride, the parade, the float, membership increase, and now our bi-monthly luncheon. We celebrated our 60th Reunion in July 2023 with the Class luncheon at Parker's. We were scheduled to have lunch on Wednesday, December 11 at Olive Garden. We've dined at Hibachi, Red Lobster, Olive Garden, and Cheddars. Attending these luncheons have been the local crew and those for Raleigh and the Wilmington area. While at the luncheon we've made phone calls to California and upstate New York to spread the good news and keep in touch. We have always involved our second generation in every undertaking. We are saddened by her loss, but not as those who have no hope. We will cherish your smile. Thank you for the beautiful memories.

Until we meet again our Devoted Friend - Ella, Alton, and Amber Harris

“PAGS.” So thoughtful and considerate of others. She really knew how to get things done and she always seemed to do them so effortlessly and efficiently.

Eternal Rest grant unto her, O Lord, and let Perpetual Light shine upon her. May her soul Rest In Peace. God bless the Grimes/Short families.
