We are certainly glad that our lives were enriched by his love, leadership, presence, and kindness, and grateful that the good Lord saw fit to send him this way and allow us to serve together. Forever keep him alive in your hearts and memories, until we meet at that great gathering on the other side. “ *Bishop Ralph Love Shared the word all over the city." Let us run with perseverance the race marked before us, fixing our eyes on Jesus, the pioneer and perfecter of faith".*

" The Other Shore"

We can only imagine the reunion in heaven

His face is the first face you want to behold

We know that you are resting in that blessed city

Where the Saints of God never grow old

You can now walk those streets that are paved with gold

Pastor, you won't even need that wheel chair

The angles will welcome you home

God saw your struggles and He saw your pain

He said, my Bishop You do't have to suffer no more

I have completed your mansion your long white robes is ready...

everything is paid in full.
