To the children of Regina, Cassandra, and the entire Short and Hyman family. I have known the family for so many years as her Cassandra mom and my mom were best of friends. This such a hard time. Her my son were born on the same day and now both of them are resting with the Saviour. It's truly is not easy but continue to trust God lean on the Rock that's higher than we are and we will get through this unbelievable time. Death is inevitable and real but God near and He will hear your cry. He has been touched with the feelings of our infirmities and He said that we can cast ALL our cares on Him,because HE cares for us. I love you all and hold on, until we meet again in that Great getting up Day.God bless you all.

This is truly unbelievable, Regina and her Mom and I all worked at ECU Health. Regina was a sweet young lady. She loved her babies and her Mom was her Heart. A precious Gem is now at Jesus feet. Seperation is not easy, I'm definetly praying for the family. Cassandra, I Love Ya Sis.

Baby girl, I miss you so much. Watching you go broke my heart in ways I can't even put into words. Not a single day passes that I don't think about you and wish you were still here with us. You were my everything, Regina, and I carry that love with me always.

I find comfort in knowing you are resting in Jesus, safe and at peace. Still, I long for your presence, your voice, your smile. I love you more than words can ever express, and I miss you deeply every single day.
