“ Robert like many others at MCC welcomed me to the community college 3 years ago. He and I enjoyed talking about farming and gardening on many occasions. Robert was always willing to help us at the equine program and he will be greatly missed by many.

“ Robert was a special person. He was always helpful and kind. One evening, I worked later than usual. Robert saw my car in the parking lot and came to check on me, making sure I was alright. Sometimes, he'd go get ice for me so his number was in my phone as Robert Iceman. Sometimes, he'd just stop by and chat. He will be sorely missed at MCC. My prayers are with all who loved him...and that is a longer list than we can imagine. Rest my friend, rest in the Lord.
