“ The world has lost a great guy. Ron was a co-worker and friend. My prayers go out to your family. I joked with Ron everyday at Verizon. He made work a little more enjoyable. I wished I would have known your nickname was “Bruser”. That would have been a weeks worth of jokes.

Ron would help anybody at anytime. The world needs more people like Ron especially in these trying times.

We are all sad here on earth of your departure but...I know people in heaven must be jumping up and down with joy of your arrival. Till we meet again my friend.

“ First, I would like to send my condolences to the family of Mr. Ronald Brown. Ron was a great friend and someone who I share many memories of our time growing up. We played sports together and had many good times laughing and joking with each other. His favorite line.....I hear ya! Those words will forever be with me and many of our fiends you left behind. Even though you have transitioned on to another place, your friendship will remain me forever. You fought a good fight, but I am always reminded...the battle is not yours....it's the Lord!
