“ Ronnie was my first cousin. As we grew up we did not stay in touch as much. I have good memories growing up especially at family reunions. We had those once a year and if I hadn't laughed hard all year, I would laugh that day. Ronnie was full of life and a natural comedian. He just did not get paid for it. He liked to come down and eat Uncle Efans (Aunt Annie's) barbecue and chicken on the grill. He loved his wife and daughter as well as his extended family. He will be truly missed. My prayers are with his wife, daughter and Uncle Coleman. (his dad). I pray for my cousin Yulanda as well, they were extremely close. I pray that we are all comforted.

We extend our deepest sympathy from the Fleming Chapel Church and the Hillsdale Community behind the airport. Ron and his family was a part of our community during his younger age. Death is a mystery that we all do not understand. Certainly, after death; comes the resurrection. Family, God will never leave you or forsake you. Our prayers are with you during this time and the future.

Sorrowfully submitted,

Pastor Dr. Rex Fleming
