“ MacDonald was one of a kind. He was the joy of my class way back in the late 80s. He could impersonate James Brown and keep all of us in a good mood. Ronald was always making others smile and laugh. Charlie and Ronald were a pair of cut-ups. They were the best. I pray that Ronald is smiling down on all of us because he is no longer in any pain or stress. He'll surely be missed. God bless his family.
