“ As a young child, I couldn't quite understand how or why all of Vickie's aunts, uncles, and cousins weren't also mine. As simple as this memory might seem, it warms my heart that over 50 years later, Aunt Rosa Lee never thought twice when she heard me or my brothers refer to her as "Aunt." She was sweet, gentle, and beautiful - inside and out. Today our thoughts and prayers are with Uncle Tommy and our lifelong cousins Derrell, Van, Juicy, and Robert. — Gregory Cutler

“ Mrs. Oden was the sweetest woman I ever met. I had a chance to do her hair a few times and I told her Daughter I wanted to take her home. A beautiful spirit but I know her spirit is at peace and well received in Heaven with the Father. You will be missed. Blessings to the family and my prayers are with you. Sincerely, Tenea DeBerry

“ My awesome Cousin Rosa Lee was a remarkable woman, whom our God Almighty choose Saturday night Passover to call her back home.

Words will never express how much me personally Loved her for being Her. She never in all of my 58 years ever got angry, she was one of the most kindest person whom I ever known!

I'm grateful for my Mom to let us spend numerous summers vacations there on the farm in the 70's growing up with my cousins - Darrell, Vann, Juicy, & lil Robert.

She will always remain in my heart and mind forever!

God Bless 🙏 Her spirit 🌸 Amen.

“ My God, My Jesus , My Holy Spirit.
Rosa Lee is the last of my mother's from Blounts Creek that I call my God mother, other than my own mother Catherine. Just want to say God don't make any mistake. And to know Our lost is God's gain. My love for Rosa would be a under statement of my feeling for her. For her birth children that know me. I need not to explain myself. May God keep his arms around your heart my family as long as he need too. I love y'all to the moon and back a thousand times plus. Just like Rosa Lee love my family & me. Hold on to the sweet beautiful memory's. I promise you that God will heal your heart day by day.

“ *Cousin Rosa Lee will always have a special place in my heart, she and Aunt Viola were moms to me growing up. They took good care of me every summer. Rosa Lee was always the voice of reason; had a way with making everything alright. She possessed hospitality and compassion second to none. I'm not sure if she ever got upset, but if so, I never seen it. I remember coming back home to Pittsburgh and when playing house, I would always try to imitate her, she had that sort of presence and impact in my growing mind. I appreciate all the meaningful experiences that she allowed me to have. Experiences I still share with people today. Forever loved and missed! ❤️ ~Roxanne Carpenter-Davis*
