“ *May God comfort and strengthen her family and friends. We grew up together in South creek,,north carolina. I haven't seen my dear Cousin since 1974. In our tiny community we were a close knit family. My grandfather married her grandmother. As kids we went to school together and worked together. Her brothers and I played all kinds of sports together. This was in the 60's and 70's when times were modest and kind..Rest in Heavenly peace my dear Cousin. I'll see you when that big trumpet blows and all God's children will rise from the their sleep.*
