“ So very sorry to hear of Sandra's passing, I met her at Hunter Hill Nursing Home and just took to her immediately she was my little angel and Everytime I visited my sister I would always go over to Sandra's room and she always talked about her about home on the beach. Sandra held a special place in my heart. She will be missed by all the Coley sister's. Sandra hope all your days ahead are beautiful and sunny. I loved her she was so Sunny when I first met her. She spoke of children often and I will surely miss my little angel.
