“ *Mrs. Sarah Draughn was such a beautiful lady inside and out. She shared her wisdom and knowledge and was highly respected for that. Mrs. Draughn was caring, loving and she was bright light in any room she entered. My prayer is that you're resting in the loving arms of our Lord and Savior.*

“ I know some times we don't understand why these things have to be, Hard to phantom (yes) I will say that; Please understand family that when things happen and we just don't understand, let us pray and ask God to help us to accept what has happened and keep trusting and believing in his holy name. I know that there will be better days I can't say when but I do know that if you trust God, If you trust God, then you must know that Sarah ran her race with great pride and confidence and she knew that she was coming towards the end of her journey, she never waivered in her faith and she knew that eventually one day by and by this would all be over, and she decided to move upstairs to a better resting place where only the wick shall cease from troubling and the weary will be at rest. Rest on my friend, knowing that you fought a good fight, while yet still knowing that the battle never belong to us in the first place . I will miss you Sarah Ross Draughn, but I promise you your memory will continue to live on. Family hold your head up, shed your tears, but truly know that a good wife, mother, sister and friend she was. Keep her memory alive in your heart. To Mr. William Earl Draughn , I don't know how you feel but I know a part of you is missing right now and I also know that through everything, all her ups, all her downs, all her changes and her turn arounds, you have always been there for her, good and faithful. To God be the glory in all things. May God bless you and your family in this your hour of need.
