“*Momma Sarah was a fighter I can definitely say that! We didn't get the chance to have our lunch date we spoke about, but I will always remember our conversations. You fought a long hard battle and God said enough is enough. HE needed his angle with HIM. You were ready, but our hearts weren't. Rest Easy momma Sarah. You will be greatly missed, but you will always be remembered and loved! Watch over the family as I know you will. We all love you momma Sarah! RIP PARADISE.*

“*My husband and I wish to express our heartfelt condolences to our son, Tree and his entire family in the transition of your love one, Ms. Bae. When we first met her a radiance of love flowed from her. She was truly a sweet lady and love you all so much. So, I would say to all of you that she is now in a better place and she can actually say that all is well with her soul. I pray 🙏 for peace, comfort, and strength for her family. When you miss her, and you will, just put your hand over your hearts and know that she is always close to you. Remember that earth has no sorrow that Heaven cannot heal. Trust and lean on the Lord always and He will not leave you nor will He let you fall. Again, our condolences.*
