“ My Lupus sister has gained her wings and although I am saddened by this news, I rejoice knowing that she is now resting in His arms. Gone are the days of pain and sadness. Battling Lupus has been a challenge for both of us at times but I am thankful that we were there to encourage each other, pray for each other and get in the ring and fight this battle! I pray that God continues to cover and strengthen the family and especially her baby girl. Lord, we need a cure!! Rest well my sweet friend, rest well. 💜💜
