Shirley Heath was my second mother she babysat me as a child. I loved her dearly. I had a dream about her 2 nights ago. In my dream she looked beautiful had a big smile on her face. She was very happy and content. That's when I googled her name and saw she had passed. I'm sure God had the gates wide opened for she. She was a wonderful woman. To entire family Im so, so sorry...Love ya all Lanie
