

## Mr. Steven Russell Boyd Sr.

March 14, 1960 - January 10, 2024

On March 14, 1960, Russell Boyd and Pauline Mobley welcomed a young man that was full of life and laughter. Steven Russell Boyd made his entrance into the world that placed smiles on everyone's face and laughter in their hearts. Affectionally known to all as Steve, he ensured that once he entered the room his presence would be missed when he left, and people would anticipate his return. Although we waited earnestly for his return, Steve humbly submitted to the will of God and entered in eternal rest on Wednesday, January 10, 2024. We accepted the will of the Lord and understood that to be absent from the body is to present with the Lord.

2 Corinthians 5:8

Steve was educated through the D.H. Conley high school by way of Pitt County school system and later graduated. Pitt County was too small to hold Steve down. Immediately after graduation, Steve found his new home in Virginia where he built a new life and attended eastern, Virginia medical school later was employed with Sentara Norfolk, General Hospital, as a Cardiac Surgical Assistant among many other hospitals, in the state of Virginia, where he also performed as a nurse. He was always finding something to do to stay busy.

If you ever went looking for Steve, you could always find him at home, talking about music and the good old days while reminiscing playing his bass guitar. His favorite pass time was spending time with his sisters and his brothers,

who he cherishes so much so, if you are wondering what Steve liked to do, it was music. He really loved his bass guitar and playing his favorite rendition of his song "best part."

Steve leaves to cherish his memories his children, DaShawn Boyd, Stephen Lamont Boyd and Morgan Alisa Boyd; his four sisters, Bernice, Belinda, Darlene, and Wendy; his two brothers, Dennis and David; a host of nieces, nephews, other relatives and friends.

“ To: Bernice, Belinda, Darlene, Dennis, Wendy, and David, in times like these, what can be said? I remember Steve as a quiet young boy, kind of shy and bashful. My deepest condolences and prayers go out to all of you as well as the whole family. In times like these hold on to the Savior. He will give you comfort, strength, and peace.

You and I grew up together working and playing out on the farm where Mom and Dad raised us my brother I will never forget you and I will cherish all the memories of all the good times we had. Brother this is kinda rough on me because it has always been Dennis and Steve them Boyd Boys. I think God that we had the chance to tell each other that I love you on New years day. Rest in the arms of God now no more pain, heartaches of living in this old world God has called you to your eternal home 🏠 in heaven where their will be no more heartaches and pain. You will always be in my heart and you will always be loved*
