“ *Bo, you will truly be missed our hearts are filled with sadness and joy at the same time knowing that you are not suffering anymore your pain is gone. You are in the hands of our maker which we all will have to do sometime or another. I pray that when that day comes we will all be ready . I like to thank the encouraging words that you plant in my son's head that he could do anything that he wanted to do in life if he put forth the effort and today you would be so proud of him he's getting ready to preach.*
