

## Mr. Tabeal aka "George Scott" Uzziel

January 17, 1954 - August 9, 2025

It has been difficult to write the eulogy of your passing. The unexpected sudden death has rippled through our family, loved ones, and friends. Your presence on this earth was a blessing for anyone that graced your path. Your light shined; your words echoed, and your laughter and wit casted a long net across oceans and seas. We still can't believe there will be no more calls; no more advice warranted or unwarranted from you. To say we are devastated, is an understatement. WE are left with a deep hole since your passing. Yet, when its God's time...it's God's time. You were born to this world as George Scott...You left this world as Tabeal Uzziel....brother to your sister (twin) Patricia Mourning; uncle to your niece's Tonya and Zora Mourning, and nephew of Elias Mourning....additional half/step siblings, nieces, cousins, friends, and other family near and far! WE Love You! Miss You! Rest brother..Rest Uncle...Rest Friend. You have prepared us..taught us....guided us...May God continue to embrace your presence in Heaven for forever days!

“ *I'm saddened to hear of the passing of Tabéal. I always looked forward to running into him at the market, aquatic center or gas station. We talked & talked & he loved his family. He introduced me to my now husband. I will always be grateful for him playing matchmaker. We will miss you Tabéal. I pray you are in perfect peace. My deepest condolences to your family & friends.*
