“ I know Tarlon as Mr T. I've known him for 17 yrs as we worked together at Commando. He has such a big heart and never knew a stranger. I will forever miss the talks, jokes and the fatherly advice at times. He will be truly missed. Mr T was his own person and there will never be another like him ever. Prayers for his family and wide spread friends along with his Sky Soldiers crew. RIP.

“ *Our deepest and most heartfelt condolences to the entire Mobley family. We are your backyard neighbors in Columbus, Georgia and we have truly enjoyed T over the years. He was always quick with a wave and a hello neighbor. We enjoyed hearing him playing music from your back porch every now and then, and seeing him ride his bicycle around to our side of the neighborhood sometimes. He was always energetic and on the go. And our children just adored our sweet and funny back fence neighbor as they grew up. T is definitely part of our family's fond memories. Heaven truly received an angel. He will be missed. God bless and be with you all as you celebrate his Heavenly Homecoming and mend your broken hearts in time. Your neighbors, David and Betty Johnson*

“ *To the Mobley Family. Please accept my deepest condolences for your loss. Ecclesiastes says that "To everything there is a season. A time for every purpose under heaven" Although we don't understand, God has his own reasons and plan for our lives. My prayer for you is that God will give you peace, strength, and joy in this season of grief.*
