“ Although Terry’s earthly journey has come to a close, his light has not dimmed. It simply shines now from a higher place I trust Terry has been welcomed into the father’s embrace, where there is no pain, no worry, only peace. May God’s comfort surround the family, and may you feel Terry’s presence in the gentle moments. in the stillness, and in the laughter you remember.

Rest in eternal peace, Terry. Your journey continues in the light, and your legacy remains here with us.

“ My Terry, My Terry. When I was part of your family you definitely knew how to make me feel welcomed. You were that bright light, comedian and definitely a road runner. When I last spoke to you you still had that jokester demeanor and still called me mom after all these years. You are loved and will be missed dearly.
