“ From the time I first saw him at Bethel Elementary School Tony was always the one who was drama free and he would always try to make people laugh. He didn't judge me for who I am but instead treated me like the true B- Boy I Am. RIP Tony! You may be gone from us but I can assure that you will not be forgotten. My prayers and condolences to your family in this time of bereavement.

“ I was Tony's next door neighbor & friend. His parents would open the door screaming his name when it was time to come in the house. I knew that my name would be screamed minutes later if not before.

I was younger than Tony about 2 or 3 years. When he got his lisense, I was scared to ride with Tony because of how he turned curves in his green pinto. And he would always say, I'M DRIVING THIS .....AINT I JB? In my mind, I was scared to death but I'd say, Yea dawg, you got it.
