“ I am so very sorry for your loss of such a wonderful person. My heart, thoughts and prayers are with all of you. I knew Vickie when working with her at school as a substitute teaching for her teacher. I have to say she was the most enjoyable, vivacious, energetic and beautiful person and I thoroughly enjoyed working with her. I was devastated and heartbroken when I heard the news of her passing away especially when I did not even know she was so sick. She is no longer with us here on Earth but she is dancing happily in heaven right now feeling no pain with her bright beautiful eyes and smile bringing so much joy to others. 💜🙏
