

Ms. Villa Teel Andrews

July 5, 1954 - May 22, 2020

Due to COVID-19 restrictions, mandated by Governor Roy Cooper the funeral of Ms. Villa Teel Andrews will be by invitation only.

Villia's Favorite Scripture: "I can do all things through Christ who strengthens me." Philippians 4:13

On July 5, 1954, a baby girl was born to William Augusta and Mary Teel of Everetts, NC. They named her Villia Sharon Teel. Her mom was 40 years of age when she was born, and that is why she said she was different from her seven other siblings. She was a feisty little thing and she began walking at the age of seven months old. Villia graduated from Robersonville High School, class of 1972. There she created cherished friendships and treasured memories. Some of her best times were being crowned as Homecoming Queen and being part of a modern dance group under the leadership of Georgianna Barnes. After high school, Villia went to college and graduated from Saint Augustine's University, Raleigh, NC with a degree in Early Childhood Education. After college, she got married and went with her husband and begin her military experiences. She lived in several places such as Georgia, North Dakota and Japan, where she worked in the Japanese School System until she decided to pursue her master's degree from the University of Southern California, which she did. After deciding to come back home, she worked in the Martin County School System for sixteen years until her health started to take a turn. She was the first to receive robot hip surgery

in the state of North Carolina. Her surgery was successful, and her story was televised. Villia's Christian ties is the House of Refuge Church Ministries under the leadership of Overseer Ronnie and Pastor Angel Staton, whom she loved dearly. When she was active in church, she served on the Usher Board at Lily of the Valley Church before moving to House of Refuge. For the remaining years, her health begins to decline. It was from one thing to another. Villia fought a good fight. Her doctors and nurses loved her from hospital to hospital, they said she was toughest they had ever seen with the pain she endured. On the end she said her life was in the hands of the Lord and she refused anymore treatments. She trusted God. Villia was loved by so many. She never had biological children but had a community of children who loved her, and she loved them. She had an hand in helping to rear many of her nieces and nephews and they loved her dearly. Gentle, loving, generous and lively are only a few words to describe Vil. She was called "Aunt Vil" by many children. Vil was a giver and would give her last dime to anyone in need. She perfected the role of a sister, aunt and friend. Vil will be missed. She was an angel on earth and now an angel in heaven. May her beautiful soul rest in peace. Villia is preceded in death by her sister, Huta; two brothers, William Russell and Bobby Teel. Villia leaves to cherish her memories two sisters, Valerie Teel Joyner of Everetts, NC, Bertha Teel of Williamston, NC whom she lived with and referred to her as mom; two brothers, Larry Teel of Everetts, NC and James Teel of Lynchburg, VA; one foster child she nurtured and cared for from the age of two until his teenage years, Kenneth Mallory, Jr of Raleigh, NC; a host of nieces, nephews, cousins, other relatives and friends.

“ *I would like the family to know how much Vill meant to me. There are so many memories that I have of but one really stands out to me when she got in my daughter (Talonda's) walker to show her how to walk. Talonda stared at her and was walking in a couple of days. I would like to thank my cousin Gail for bringing her in my life. Love You All, Paulette Barnes*

“ Friends are a gift from God! It was truly a blessing to have had Villa as my sister friend. It was with great sadness to learn of the loss of my lifetime friend. August 1961 - June 1972, the golden years of our many accomplishments side by side will forever be cherished from elementary school thru high school. Along with, seven others friends from North Everetts School , we called ourselves, " The Famous 8". Villa being gifted with many talents also possessed an outstanding leadership quality. Yes, she guided us remarkably well. We were inseparable. Through this great sisterly bonding, there were a plethora of unforgettable memories. We shared priceless laughs, school notes, latest fashions, lunches, inside jokes, singing, dancing, etc. ,all that matters to the love and joy living the life of true friends. It was not a talent show, social,or school social function without our presence with Villa leading us in dancing or singing. She executed both well. Without a doubt, our academic studies was always at the top of the list. Villa was also a scholar with a loving heart and brilliant mind always willing to assist others. I thank you Lord for giving me such a wonderful sister friend, a true friend. Bless my dear friend who gave from her heart endlessly. She will not be forgotten as she lives on through all her loved ones hearts and memories. We love you Villa. Rest in heavenly peace.❤️

“ I remember our youth at Everetts Elementary school. Vill was younger by months than many of us, but she was the "mother hen." I thank God for our friendship over the years. I will miss her encouraging texts over the years as we did not see each other often, but I still felt the love in her words. She should grace, strength and faith in her afflictions. Rest in the Lord my sister, VT. My prayers for the family. God be with you.

“ Our prayers and condolences go out to family and love ones of Vill. We have known Vill since her days at St. Aug. She became a very dear friend and a sister to the Perry Girls and an Auntie figure to our children. Even our parents The late Charlie and Lunell Perry thought of her as a daughter. Here on Memorial Day we honor Vill for her services to her Lord and Savior, “Jesus the Christ” for she fought a great fight until her Victory was won. Vill didn’t surrender to man, Vill surrender her all to her “Heavenly Father.” Vill has the Victory. Vill, you are resting peacefully now.
