“ *I use to live in theBronx . My husband passed in 2005, we were in the process of adopting 2 sisters but he passed before it could go through. I wasn't too sure if I wanted to still do it but Big Billie talked me through the grief and pain too see how an important part of my family the girls had become and being a single parent would not be so bad 18 years later I am grateful for that shoulder to cry on and the best to listen . I will miss him dearly. Rest In Peace my dear friend*
